

Welcome back

Welcome back to Term 3. After all the disruption in Term 2 I hope that Term 3 is a lot more settled and we can get into routine.

Staffing

Last term we wished Ms Maree Davis all the best in her retirement after spending 26 years at Gillwinga Public School. Ms O'Neill will work in K-2 supporting students learning as Ms Davis did.

School Library

Our Library continues its makeover. A fresh coat of paint before the holidays and murals during the holidays has made our library a very welcoming student friendly learning area.
