

CLASSROOM CORNER

SEE WHAT WE HAVE BEEN LEARNING IN
3/4H

In 3/4H we have been working a lot around how to use our laptops for learning tasks. We use these for a range of aspects such as Maths, Science, History, Reading, Spelling, Grammar and even some Writing. While we use our books and handwriting in all areas, we enjoy the engaging, fun and interesting aspects using technology can bring us. We are so lucky to have laptops to use each day.
