PRINCIPALS ADDRESS

By Carly Woods

Welcome back to Term 4, which is always a very busy term.

Camp

We have had year 5 and 6 students on camp last week learning all about the importance of team work while building skills in resilience. I can't wait to discover what they have learnt and share back at school. I encourage the students to be strong positive role models demonstrating the skills they have learnt from camp.

Transitions

Our yr 6 students will be preparing for high school with more visits to South Grafton HS this term.

READY SET GO is helping prepare for our new Kindergarten students .

Assessments

Check in assessments in years 3,4,5 this week in literacy and numeracy. The school uses these results to support student learning goals and monitor learning growth across our school consistent with the state.

Playground Upgrade

Playground upgrade will occur next week, this is project that has been determined since before COVID so we are extremely pleased to be getting it underway. Photos shared when it is completed.

Jacaranda Thursday

There is a half day public holiday allocated for Grafton City businesses. School will be closed from 1:00pm on Thursday 03/11/2022.
