# PRINCIPALS ADDRESS

By Carly Woods

Hi Families,

Many exciting events have taken place over the past few weeks.

We have an update on our playground and in the second stage of completing the yarning circle in the front garden of the school.

## Reports

End of year reports will go out in week 10.

Teachers will send out notes and times for parent teacher interviews so you can have a chat about your child.

## COVID -19 advice

Friday 14th October was the date isolation was no longer required. However the Department of Education has taken advice from NSW Health and strongly recommend that students, staff and community stay home until symptom free to help minimise the spread. The best way to protect against transmission of COVID-19 is vaccination.

## **Student wellbeing**

Students have been working through identifying their emotions and strategies to move out of strong emotions that make them lose control of their actions.

## **P and C meeting - 25/11 2022 at 2:00pm**

**Rewards day for 5 star students will be to surf school on 1st December and Wooli Water Park on the 6th December.**

## **Learning in the classroom**

This year students in stage 1 and 2 have been participating in a targeted intervention on reading. We are pleased to announce that students on average in these stages have made tremendous growth.

Stage 1: Over two years worth of growth in 3 terms (less than a year).

Stage 2: 1 year's growth in a semester (half a year).

This model will continue into 2023 across K-6.

Congratulations students and teachers on your efforts.

Carly Woods.

Principal
