PRINCIPALS ADDRESS

By Carly Woods

Dear families,

Weeks 6 and 7 have been packed full of fun.

Our year 6 students have been heading to SGHS for transition to year 7 2023.

We have student athletes representing our district at carnivals last week and this week. Congratulations on your commitment and achievements.

High expectations on student behaviour are at the forefront of what we do here at Glllwinga PS. We expect students to follow our three core rules of **RESPECT, RESILIENCE and RESPONSIBILITY**. Our school has been very consistent this year in communicating these expectations with students, parents, carers and teachers. As a result there have been significant decreases in recorded negative behaviours and this is something worth celebrating. Congratulations to all those students who have achieved their goals this term.

If you wish to speak to teachers about any matter, please make an appointment as our days are scheduled to the minute making it hard to see families at very short notice.

Thanks again.

Thank you to the P&C for holding a fathers day stall this week.

Check-in assessment for Year 3, 4, 5 & 6

Dear parents and carers,

During Terms 3 & 4, students will participate in the Check-in assessment.

The Check-in assessment is a NSW Department of Education online literacy and numeracy assessment available to support schools to assess and monitor student learning.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs. Students with a disability may receive the same level of support during the assessment they would normally receive in the classroom.

- The assessment will be scheduled for our Year 6 students during Weeks 8-10, and Years 3, 4, & 5 will be scheduled for Term 4, Weeks 1-4
- All students complete a reading assessment and a numeracy assessment. Year 6 students will also complete a writing task
