PRINCIPALS ADDRESS

By Carly Woods

Hi families,

This week our year 3 and 5 students have been completing NAPLAN tests, just like every other year 3 and 5 student across the country. Congratulations on your efforts, students, teachers. Your hard work on both accounts doesn't go unnoticed.

Lunch drop off

Dropping off lunch on a regular basis is unnecessary. Please pack school lunches before school and send it with your child in their bag. Canteen is open Monday for special orders, Tuesday and Friday. Please check the calendar and canteen special order notes that come home on a Monday to be returned by Thursday morning. Keep takeaways and treats for home. Thank you.

Parent APP for communication

Keep an eye out for the NSW education app. We are learning how to use it to effectively communicate school related activities, events, concerns, and general information. It is easy to use. Information on how to download will be sent out via email, or letter home.

NSW Department of Education

Never miss an important school update or event.

The **NSW Education Parent App** makes it easier than ever to stay up-to-date with the latest information from your child's school. Featuring latest news, newsletters, personalised feeds by year group, events calendar, push notifications, instant updates and alerts, advanced security and more.
